The diagram illustrates a hierarchical or comparative structure. At the top, a large '4' is positioned on the right. Below it, a 'W' symbol is centered. Further down, three '4' symbols are arranged horizontally. To the right of these, another 'W' symbol is present. Below the 'W' symbols, a '4' symbol is on the right, and a 'W' symbol is on the left. In the center, the text 'Art Garden' is displayed. To the left of this, the percentage '44.61%' is shown. Below the 'Art Garden' text, the year '2009' is written. At the bottom, a 'W' symbol is on the right, and an 'E' symbol is on the left. The diagram uses these symbols and text to represent different levels or components of a system.
